

Wheatland Township

SPRING 2023 is Here!

Fire Extinguisher Recycling, Wheatland Township and Will County Green

Wheatland Township is accepting fire extinguishers for recycling. A cabinet has been installed on the North side of our building where fire extinguishers may be deposited. Please open the door, place inside, please provide your zip code on the forms provided and deposit in box on side of cabinet. We are only seeking zip codes to give us and the County information on this new program where the extinguishers came from. Names, addresses etc. are not needed. Please close the doors and latch the front.

From The Assessor

Congratulations Amber!

Amber Markham, Deputy Assessor, recently celebrated her 20 year anniversary at Wheatland Township. Amber is primarily involved with tracking property sales within the township. In addition she is the in house tech consultant, among other talents. She was recognized for her service at the recent Wheatland annual meeting. We thank Amber for her excellent work for the residents of Wheatland Township!

The Wheatland Assessor’s Office is busy. This year is the quadrennial reassessment year where all neighborhoods are reviewed for accuracy in value. By statute, we use the last three years of sales (2020-2022) to calculate the assessed value of a property.

All properties will receive a notice of reassessment by mail in early August. The township will accept informal appeals for review of assessments until Labor Day.

Will County will mail exemption forms to selected homeowners on April 14th. These exemptions typically apply to only the disabled and those qualified for the senior freeze.

Wheatland Township

Remember the days of having a handy list of names and numbers placed on the side of the old fridge?

Well, here is that document.

We are making an effort to go a little old school and provide just that.

We are your township and we take the opportunity to assist in the daily lives of our residents very seriously.

G. Michael Crouner, Supervisor
